

KIDS CLUB

EVER WONDERED WHAT
YOUR SUPERPOWER IS?

COME ALONG TO KIDS CLUB TO FIND OUT!

At Kids Club you'll create your own secret code and discover ways to feel strong and powerful.

We'll have some yummy afternoon tea and do lots of fun activities.

It's a safe space to chat with adults who understand and a chance to meet some new friends.

Each week we explore all the different ways that make each of us so awesome!

"KIDS CLUB IS LOADS OF FUN!"
"YOU MAKE NEW FRIENDS AND
MEET DIFFERENT PEOPLE"

We'll build our 'toolkits' together. We'll chat about what it feels like when we laugh out loud, when we are stressed out, when we have 'worries', what 'worries' are and what can we do with them, when we feel serious and when we need to dance and sing.

If you like food, glitter, stories, drawing and superpowers, then this could be the space for you!
